Minutes Approval

Minutes from October were presented to be approved.

Motion was made to approve by Mr. Webster; seconded Mr. Williams.

Good News Report

- Mr. Schlotman provided a construction report: the Multi Media room is almost done. Our Auditorium's interior is moving along nicely. However, no completion day has been announced. It is hoped to have events by the end of the school year this spring.
- Regarding the \$5million renovation of the back of the building: there was a meeting last week about the plans. Anticipated renovations include replacing the HVAC, new floors, ceilings, encasements, new LED lights throughout the building, some additional rooms will get new floors, bathrooms will be updated and science labs redone. Data wiring will be done as a separate project. Five mobile units for classrooms will be brought in to allow the project to move more quickly. This will provide 10 classrooms.
- Band student Zander Porter qualified for All State.
- Thirteen students are applying for GSP
- Football won last game! It was a 4 and 1 season.
- Azaria Sweet - Volleyball player was selected as Honorable Mention in the NKGVC.

Budget Reports

- Council examined budget reports.
Motion to approve the budget reports was made by Mrs. Webb; seconded by Mr. Herald with an amendment to the Actual Cash Balance column once reviewed by Erica with Mr. Schlotman.
- Free and Reduced Lunch allocation budget was reviewed.
Motion to approve the budget report was made by Mr. Webster; seconded by Mr. Howard.

Standards Based Learning Remediation Plan/Policy

The Plan/Policy was presented for its first reading. Mr. Schlotman read through the policy with explanations and clarifications. He will update this policy for the next reading.
