Good News Report

- Our overall index was 81.9; the highest score in the District and placing us fourth in Northern Kentucky.
- To celebrate, we have done several special activities for faculty and students. A DJ will be here Friday to play at lunch.
- Girls Soccer team won the 33rd District Championship and went on to Regional, winning the first game but losing the second game after the rain delay the night before.
- All Legislators and the Mayor (Mrs. Birkenhauer) and Board Members (Mrs. Sinclair) have been contacted to attend the fall play Curious Savage. Mr. Schlotman is checking into making passes for city and county officials so that they can attend any event at our school.
- We were recognized for our test scores at Florence City Council meeting where Mr. Schlotman, Mr. Hughes, and several girl soccer players represented BCHS. Several Council members are Boone graduates.
- Football team won on last Friday; BCHS hosts the playoff game this Friday.

Public Comments

Mr. Barnhill was not able to be present. An area in the Band Room (Tuba Room) is now being changed into a storage area. A District carpenter can do this; \$275 is the approximate cost. Student fee money cannot be used for this. Mr. Schlotman recommends this to be approved.

Mrs. Sutton—confirmed that this space would be used for musical instruments with a lock. This will also allow space for the students to have a place for their instruments. Motion to approve was made by Mrs. Sutton; seconded by Mrs. Birkenhauer.

Guests introduced themselves and what majors they are studying at NKU.

Mrs. Behne presented Project Lead the Way. In the past, UK has accepted this course. On the back of the handout is info about how it works and how to earn recognition.

Mr. Schlotman recommended not voting yet--wait until after checks on what other colleges in KY will accept this, what other schools in NKY are participating, as well as speaking with Mrs. Coomer-Godweiss. This may also affect KEES money.

ESS revised copies presented by Mrs. Hirn.

Each bullet was discussed, suggestions made, and changes made.

Mr. Schlotman suggested to make an all call to parents that tutoring is available.

Motion to approve the ESS Service Plan with the corrections made tonight was made by Mrs. Sutton and seconded by Mrs. Dorn.

Budget Reports

- Red Book has an issue with clubs/sports carrying over large amounts of money from one year to the next.
- Issue is particularly when clubs are still fundraising and student fees are charged.
- This report does not reflect monies approved at last meeting.

Mr. Herald motioned to accept the budget; Mrs. Dorn seconded.
