Budget Reports

Reports were distributed and discussed.

Mr. Melching made a motion to approve the budgets; Mrs. Wharton seconded.

The new light and sound boards have been installed in the auditorium. A pre-training was given by Prestige for the light board. Then, there was an issue with the processor. Unfortunately, the light board would not work without it, so it had to be replaced prior to the musical. A compatible component was found in Maryland, at the tune of \$11,000. BCHS’s Spotlighters Drama Club, Citi Bank, and SBDM split the cost. It was installed just in time for the spring musical production opening night!

Valedictorian / Salutatorian Policy

- Presently, we evaluate them on quality points.
- However, we do need to write this policy as we do not have anything in writing now.
- Therefore, we may have an emergency meeting to get into the Agenda.
- Cooper and Ryle do not rank anymore; but we will continue to do so.
- At present, a student could get valedictorian if he/she took many college classes, which is not reflective of a high school performance.
- Conner lists exactly what courses are needed to be taken to be qualified for its valedictorian.

Closed Session

Mrs. Birkenhauer made a motion to go into closed session; seconded by Mrs. Wessman. Discussion followed.

A motion to come out of closed session was made by Mrs. Wharton and seconded by Mr. Melching.

New Business

Presently, we are looking for the binder that has all of our policies and by-laws from previous SBDM meetings.

A Dress Code Committee is needed to evaluate our present rules and update any changes desired.

- One suggestion was to approve students wearing shorts.
- The time table for completion of this would be at the end of PD days so that it can be included in the Agenda book.
- Mr. Melching will set up a volunteer committee.
- Mr. Neuhaus will check with other schools about their dress code policies.

A motion to adjourn was made by Mrs. Wessman and seconded by Mrs. Birkenhauer.

Meeting concluded at 7:16 PM.
