

Monday, April 20, 2020

Boone County High School
7056 Burlington Pike, Florence, KY 4104

Special Meeting

SBDM

Attendees

Mr. Schlotman, Miss Patterson, Mrs. Wharton, Mrs. Lindsey, Mrs. Birkenhauer, and Mrs. Webb

Mrs. Webb made a motion to call the meeting to order; Mrs. Birkenhauer seconded.

Mr. Schlotman presented an update: The State's minimum credits requirement for graduation is 22 credits: 15 core with 7 electives. Under the present situation, it is not possible for some seniors to obtain more than that. Because of this, the State of Kentucky has suggested that each district graduate those who have at least 22 credits.

A motion was made to waive BCHS's 30 credits requirement to the State's recommended 22 for this year's graduation. Mrs. Webb made the motion, and Ms. Patterson seconded.

The grading situation is still being discussed by principals and the District. This will be a Board's decision which has not yet been made.

Discussion followed regarding grading, student participation online, seniors who may not have 22 credits, confirmation that the Boone County Board of Education has waived the District's final exams, and other concerns.

A motion to adjourn was made by Mrs. Birkenhauer and seconded by Mrs. Wharton.

Meeting ended 3:31 P.M.
