Good News Report

- The first four days of in-person instruction with both A&B groups went well.
- Our AP sign up went well as more students have enrolled in multiple programs.
- BCHS won its last football game; the streaming looked good.
- The streaming cameras in gym and on the football field have been installed.
- Construction news: the old mobile units have been removed, and the week after Thanksgiving, the auditorium construction should begin.
- BCHS's Football Field construction is well on its way.
- The last week in December the turf field is scheduled to be laid.
- There are tentative plans for an extensive project in 2022 which could be remodeling the two back hallways which remain from the 1950s.
- The District has now gone to all virtual, online learning at this time.
- We have had some positive cases within our school, though there has been no spreading to others in the building. In addition, there has been a number of people quarantined, unrelated to those who have been tested positive.

New Business

- Digital Music program proposed by Mr. and Mrs. Barnhill for the Band and Choir has been approved by the Board of Education and an order has been placed.
