FLU AND OTHER CONTAGIOUS DISEASE INFORMATION

Masking: Masking is not required but you may wear one if you feel it is necessary.

Vaccinations: We encourage people to take advantage of vaccinations.

If you are sick: To avoid spread, please stay home if you are symptomatic or are feeling sick. Return when symptoms are gone and you have been fever free for 24 hours without fever reducing medications.

Hygiene: Follow healthy guidelines by regularly washing your hands, keeping things clean and sanitized in your home and work space.

Changes To School Meals

The federal government allowed schools to offer free meals to all students during the pandemic, but Congress did not extend this benefit for next school year. Families that are eligible for free or reduced-price meals MUST APPLY to receive them, and all other students must pay full price for their meals. The application process for free and reduced-price is open now for Boone County Schools and parents can complete the application online at myschoolapps.com.
