Dual Enrollment Spanish 201/202 Summer Assignment

¡Hola, estudiantes! Please review the Preterite Cheat Sheet we completed last year in Dual Enrollment Spanish 101/102 and know how to conjugate ALL TYPES of preterite verbs. Use the following chart to make sure you know how to do this. We will begin the year with a QUICK review of the preterite vs. the imperfect. Also, make sure to check your school e-mail towards the end of July for textbook and tuition information! If you need anything over the summer, please e-mail me at erica.levy@boone.kyschool.us. I will check my e-mail periodically.
