

SCHOOL DAY AND WEEK SCHEDULE POLICY

CRITERIA FOR DEVELOPING THE SCHOOL SCHEDULE

Our schedule will:

The school day shall include 6 classes that are 52 minutes each with an additional 30 minute extension/advisement period. Students will have 5 minutes of passing time in between class change. Changes to the school schedule shall require the approval of both the principal and the council. Modifications of the school schedule may occur during special events scheduled to promote student success.

Covid-19/Pandemic Situation:

Due to health and safety guidelines and precautions, 1st period has an additional 10 minutes (62) to accommodate temperature taking upon entering the building. Our extension/advisement period is 28 minutes in length.

POLICY EVALUATION

We will evaluate the effectiveness of this policy through our School Improvement Planning Process.
